

Communications Assessment

The Gladius Communications Assessment is an external evaluation of communication objectives, capabilities, and metrics, crafted to provide organizations with tailored recommendations for enhancing their overall communication strategies.

Process

Pework

A comprehensive assessment questionnaire will be used to define clear scope, objectives, and targets.

Session no.1

During this virtual session, we will formally introduce the Gladius team and review the assessment questionnaire results and finalize scope, objectives and targets. We will then determine timelines and next steps for deliverables.

Full Assessment

Gladius will perform a complete assessment based on the determined scope beginning with the stakeholder / target audience analysis.

Session no.2

During this checkpoint, Gladius will review progress of deliverables, gain any necessary clarification, and align on final timelines.

Session no.3

During this final session, Gladius will present your communications assessment, distill recommendations, and discuss implementation.

Who We Are

Gladius leverages decades of experience, a results-focused methodology, cutting-edge technology and data-driven innovation to deliver meaningful outcomes and drive results.
